

## Dear You, Live! Love, Life: Awaking your spirit, overcoming fears & excuses, and living a purposeful, fulfilling life

Sometimes you have to take initiative and give yourself permission to live. To stop waiting for someone to tell you what to do, how to do it, and how to live your life. To achieve real self-growth requires having self-belief. Ask yourself: Why did you get up today? Why are you not doing all those things you tell yourself you're going to do? What are your excuses? Does it matter what someone else thinks? Are you ready to live? To love? What are you afraid of? What will it take for you to get off your rear and do something? Dear You, Live! Love, Life tackles these and other vexing challenges, equipping you with indispensable life tools and valuable, common sense solutions. From relationships to careers to everyday life issues this powerful book is chock-full of relevant and timely advice tackled in an easy, fun to read style. You'll discover life hacks you can put to use right away helping you create the powerful, meaningful, and successful personal, professional, and loving life you deserve. What readers are saying: An inspirational must-read for those ready to take charge of their life. Like a letter from your heart to your head. Thought-provoking, engaging, and inspiring.
