

Currency Transaction Reporting: Guide for AML Compliance Staff

This text is a must for all AML professionals! It has been prepared to serve as a practical, quick-reference guide for regulated companies and their employees whose responsibilities involve currency transaction reports (CTRs) as it relates to Anti-money Laundering (AML) regulatory compliance. Topics include: regulatory requirements, structuring, CTR reports, suspicious activity reports and more. This area of AML compliance is where many banks face great exposure, complexities and challenges. These subjects are closely addressed: Regulatory compliance concerns; Currency transaction reporting (CTR) processing; Structuring of transactions; and, SARs processing.
