

Revue de Litterature Comparee (Classic Reprint) (French Edition)

Excerpt from *Revue de Litterature Comparee* Le jour ou Sainte-Beuve, dans son etude sur J.-J. Ampere, en tete de la *Revue des Deux Mondes* du 1er septembre 1868 (.Nouveaux Lundis, tome XIII), employa l'expression raccourcie de *litterature comparee*, dirons-nous qu'il rendit a la fois un bon et un mauvais service au genre d'etudes dont il sagit ici? Il lancait dans le grand public cultive une formule commode, la plus commode sans doute dont on puisse se servir pour designer la recherche des vivants rapports qui unissent les diverses litteratures; il observait que la branche d'etudes qui est comprise sous le nom de *litterature comparee* ne date en France que du commencement de ce siecle: il posait ainsi d'une maniere satisfaisante et le mot et la chose. En meme temps, ainsi qu'il arrive, cette expression resserree courait le risque de donner lieu a de fausses interpretations: elle ny a pas manque, et je ne vois guere que la diplomatie, parmi les choses qui sen-seignent, qui ait fourni matiere a contre-sens plus caracterises. Dou la necessite, si lon accepte decidement, pour la facilite du discours, la formule employee par le grand critique, de bien sentendre sur le sens le plus precis a lui donner. Une telle explication permet d'ailleurs de retracer la carriere fournie en un siecle et demi d'existence par une discipline qui, de fait, a derriere elle des precedents de tout genre et de toutes epoques diverses, mais qui, variete consciente de recherches, nest guere plus que centenaire. I. *Litterature comparee!* *Comparaison litteraire!* Voila bien du bruit, disent encore certains, pour le plus futile et le plus vain des exercices! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the

work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
