

Economic Reform in Ukraine: The Unfinished Agenda

Ukraine may have taken a gradualist approach to economic reform, but the results have been no better than in Russia. The editors have assembled the leading specialists on the Ukrainian economy, including officials from major Ukrainian and international economic institutions, to outline the major problems of the economy, analyze the initial phases of economic reform in Ukraine, assess their outcomes, and chart the way forward.

Economic Reform in Ukraine: The Unfinished Agenda - Google Books Result Nov 2, 2000 With the dissolution of the Soviet Union in December 1991, Ukraine the second-most important economic contributor to the union after
