

## The Life And Times Of Jackson Haines: Fairshot

It was the fall of 1890, a mere decade away from the twentieth century. But some parts of the west were still as woolly as theyd ever been. Fairshot, Wyoming, is just such a spot. Jackson Haines is a household name in America, known far and wide as a dandy, a high-stakes gambler, and a sometimes lawman wholl tame the wildest townfor a price. Hes in Fairshot to do just that. But with cattle baron Ike Hillyard against him, backed by his vast wealth and as many hired guns as he needs, will Hainess skill with a pistol and his dime novel reputation as the Deadliest Man Alive be enough?
