

Kill or Be Killed: The Henry Street Affair

The corpse of a young man in a ramshackle tenement on New York's Lower East Side initiates a lethal game of cat-and-mouse for private detective Gabrielle Dixon. In his pursuit of the truth, Dixon dodges mobsters, dirty cops and a hoard of trigger-happy gunsels. From Wall Street to the Bowery, Gibson races against time to uncover the reason behind the murder while simultaneously attempting to protect the life of a mysterious woman who harbors dark secrets of her own. In the end, the truth may rest somewhere between one gun, one bullet.
