

## Prissy Duponce: The Story of an Accidental Drag Queen

Peters connections to the drag industry were well known by his colleagues; but when everyone had declined Peters invitations to the work Christmas do, he decided to take matters into his own hands.

Peter and Alex embark on a journey for a weekend away that ends up sliding into the birth of an accidental Drag queen. Join them for one hell of a ride through the laughs, the love, the trials and tribulations and of course, the Rosies!
