

Happiness Haven: Two Talks on Blessedness and Christ's Way to It (Classic Reprint)

Excerpt from Happiness Haven: Two Talks on Blessedness and Christ's Way to It Our Lord did not utter many commands. From His gracious mouth proceeded many invitations, many exhortations, many encouragements, many warnings, but few decrees. The orders that He did issue, however, though they were simple, were so profound and comprehensive that obedience is not at all easy. We break His commandments many times every day, because they relate to every day, and enter our minutest acts. If you were asked which of Christ's commands is most frequently broken, what would you say? Some of you might point out the all-inclusive behest, Be ye perfect, even as your Father in heaven is perfect. But this commandment in the original is not so impossible as it necessarily appears in our English translation; it is the imperative mood in the future tense, which we have not in our language. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
