

## Work On Your Own Terms in Midlife & Beyond: Change Your Mind, Change Your Life

Are you tired of rattling your Job Jail bars? Worried about becoming a Bag Lady? Looking for portable employment that's both fun and fits your lifestyle? It's not an impossible Dream! Janine L. Moore, author of *Work On Your Own Terms in Midlife & Beyond*, loves it when she can help midlife career changers get truly excited about their work! But, it drives her crazy when she sees people spending days, weeks and sometimes months, sending out endless Resumes and Cover Letters for jobs they won't enjoy. She has escaped Job Jail and will help you do the same! Janine will walk you through a series of easy steps to make your work and lifestyle dreams come true. She will guide you through the process she used to overcome the six primary fears that hold most of us back from living a life of purpose and meaning. Harness the power of brain plasticity and quantum physics to overcome the fear of: Poverty, Criticism, Poor Health, Loss of Love, Aging or Death. Take a thought-provoking, quirky look at how to fulfill your potential. Recognize that a midlife career change is exciting because you finally have the chance to do work you love! What have readers said about *Work On Your Own Terms*? Liz McKnight said: This book has been written just in time for me (and for you). Darlene Mace said: An enjoyable and motivational tool for people of any age contemplating a career move. Janet McDonald said: I only wish I had read this in my twenties. Don't take their word for it. Peek inside and have a look yourself.
