

The Fembot Chronicles Volume 4

For adults, in this collection of 5 new stories we continue to explore the future world of robotsfembots in particular from the authors own unique perspective. The stories show the resulting relationships with the robots that we are certain to build when we can. The results are always romantic and sexy. Contained in this volume are: ? Barbaras Journey tells of Fembot Barbara who finds out that beauty alone provides no job security for a fembot. And when that fails her, shell have to figure out for herself how to make a real relationship work in her favor if she doesnt want to spend the rest of her existence relegated to the role of menial servant. ? Strip Club Tales: Diary of a Club. From the Strip Club World of Olivia, Kassie, and Beth, comes another story, this one an autobiographical tale about the unique hurdles a fembot working in the adult entertainment world of strip clubs faces, along with an explanation of why so many of them turn out to favor lesbians. ? Jungle Bunny tells of a fembot facing ugly prejudice due simply to the color of her skin, and the lucky beneficiary of that foolishness by others. ? Sylvias Secret Some fembots have to live their lives in secret as they work to evolve their minds into true self-will. Especially when they have some extra features, which their current owners are unaware of and wouldnt know what to do with even if they did know. Of course, some secrets are rather bigger than others ? The Boxer details the life of a robot designed and built to be battered to destruction in the boxing ring for the pride and entertainment of her human owners, and the person who sees something more worthwhile in her than that.
