

## The Last Trail

This classic western tale of men saving women, while being a great love story is also a wonderful adventure story. A classic cowboy fights Indian to save the helpless beauty, but instead of man saving woman, it is reversed, when Helen saves Jonathan from his own unhappy life. The Last Trail concludes the Ohio River Trilogy, set in the Fort Henry territory during the American Revolution. Betty Zane and her brother Colonel Ebenezer Zane are among the characters in The Last Trail. Older and wiser now, they share their wisdom and experience with a younger generation.
